Five steps to apply for an Individual Artist Bursary

- 1. Read the Arts Grants & Bursaries Guidelines and Conditions** carefully as it answers some common questions in relation to the Artist Bursary.
- 2. Fill in the application form.** This gives us information about you, what you are applying for and your budget. You need to write a description of the activity you want us to support. The form also gives us information we may use to report to Sligo County Council or to monitor the different backgrounds of people who receive grants.
- 3. Online Application.** If you want to fill in the application form electronically, you can get a copy from our websites (www.sligoarts.ie / www.sligococo.ie). You will need to print it out FOUR times, sign it and post it to us with the rest of your application.
- 4. Include any relevant extra information.** Depending on the type of activity you want us to support, you may also need to include extra information. ONE copy of supporting information is sufficient. An Independent Panel, administered by Sligo Arts Service will assess your application using the form and any other information you provide.
- 5. Send your application to:**
 - Arts Grants Programme
 - Sligo Arts Service
 - Sligo County Council
 - Development Centre
 - Cleveragh Road
 - Sligo.

Please Note:

All information submitted to County Sligo Arts Service is subject to the Freedom of Information Act of 1997 and 2003.

Sligo Arts Service operates its Child Protection Policy in accordance with Sligo Borough & County Councils and the Arts Council. For projects involving children, due regard must be given to the Guidelines for the Protection and Welfare of Children and Young people in the Arts Sector that are available on www.artscouncil.ie/en/publications/standards_and_guidelines.

There is a high demand for our grant, over and above our allocated budget and we are not always in a position to fund all the eligible applications we receive. As a result, you should think about what you would do if we cannot fund your activity.

We wish you success with your application.
